

The Drill Sergeants Spouses Seminar (DSSS) is held in partnership with the USA Drill Sergeant Center and School. Although the seminar is conducted the day before each DS class graduation, it is open to any DS spouse. The seminar was specifically designed with YOU in mind, based on input by Fort Jackson DS spouses and senior leaders, facilitated by Army Family Team Building.

As the spouse of a Drill Sergeant, you have an important role: you are a supporter, a mediator, an organizer, a leader, a friend, a partner, and perhaps even a parent. The DSSS is designed to help you accomplish these roles successfully. This is an opportunity to sharpen your resiliency skills and also meet others who share your role as the spouse of a Drill Sergeant. Below is a sample agenda:

***Welcome & Opening Remarks***

*Commandant or Command Group Representative*

***Presentation and Post Tour: A Day in the Life of a Drill Sergeant***

*Drill Sergeant of the Year*

***Q&A Panel***

*Drill Sergeants & Spouses*

***AFTB: Adapting to Change***

*AFTB Program Manager or AFTB Instructor*

***Closing Remarks***

*Commandant, USADSCS*

Registration is required. Free childcare may be available upon request.

Call 751-3350 for seminar dates or other registration information.

We look forward to meeting you!
