## **WE ARE READY TO WORK FOR YOU....**

The Fort Jackson Army Community Service (ACS) Employment Readiness Program (ERP) is currently seeking businesses in the Columbia and surrounding areas to join the Employment Partnership Program. By working together, our Army Community Services hopes to provide you with a profitable and rewarding business relationship.

The Fort Jackson ERP maintains an active list of applicants (spouses of active and retired military members) ready to work full or part-time, and we refer applicants to potential employers. The ERP staff will work very hard to help you find qualified candidates to meet your employment needs. To get started, complete the Statement of Support and send it the Fort Jackson ERP Manager. Again, all services are **cost-free** to your agency.

As a special, cost-free service to your organization, we would like to post your agency's employment website on the ERP webpage at
