- Military Families Adapt Well To New Environments And New Challenges
- Annual Job Fair
- Teen Employment Program

WE ARE READY TO WORK FOR YOU....

The Fort Jackson Army Community Service (ACS) Employment Readiness Program (ERP) is currently seeking businesses in the Columbia and surrounding areas to join the Employment Partnership Program. By working together, our Army Community Service Center hopes to provide you with a profitable and rewarding business relationship.

The Fort Jackson ERP maintains an active list of applicants (transitioning military members, military spouses, teens, and retirees) ready to work full or part-time, and we refer applicants to potential employers. Your job vacancy announcements will remain in our job bank until the closing date or unless you call and request for the announcement to be extended. Again, all services are **cost-free** to your agency.

As a special, cost-free service to your organization, we would like to post your job vacancies in our job bank. Complete the attached [Statement of Support](#) to register in the ACS Employment Readiness Program:

Directorate of Morale, Welfare, and Recreation
Army Community Service
3392 Magruder Avenue
Attn: Barbara Martin, ERP Program Manager
Fort Jackson, SC 29207
