

EARLY INTERVENTION AND PRESCHOOL REFERRAL PROCEDURES

For children **2 years old and under** with suspected cognitive, adaptive, social-emotional, motor or communication concerns please contact:

EDIS at (803) 751-4165 if the family lives **on post**.

BabyNet at (803) 576-2990 if the family lives **off-post**.

If you have a concern about your preschool child's development in the areas of speech skills, learning skills, motor skills, or social/emotional skills, **FREE** screening and evaluation services are available through your local school district. These services become available for all **children 3 years old and above**.

If you live on Fort Jackson:

Contact Millie Ferguson at (803) 782-1772.

If you live in the Richland One School District area:

Contact Nancy Bradshaw at (803) 691-4926
