The Relocation Readiness Program (RRP)

provides **FREE** Immigration/
Naturalization Assistance to active duty,
eligible reservists, retirees and family
members.

RRP provides information on INS policies,
procedures and forms. RRP works hand in
hand with the Charleston INS Regional
Office to assist clients in effectively using
services available to resolve INS issues and
act as a liaison between the member and
INS when required.

The RRP role in the citizenship application
process is primarily administrative.
