Received in September 2003 (which is our fiscal year 2004) \$275.49 Received in April 2004 \$1,819.31 Received in March 2006 \$4,961.23 Received in March 2009 \$1,215.46

According to **Richland Two**, on January 16, the district received a payment of \$49,678.13 based on their FY 2010 Impact Aid Application.

Below are the numbers reported in each category:

104 - Regular Education students residing on Fort Jackson with a parent/guardian serving on active military service

14 - Special Education students residing on Fort Jackson with a parent/guardian serving on active military service

1,941- Regular Education students residing in the school district with a parent/guardian serving on active military service.

204 - Special Education students residing in the school district with a parent/guardian serving on active military service.

IMPACT AID

- Kershaw County School District
- Lexington County School District 2
- Lexington/Richland Counties School District 5

Since it has been reported that a number of our military families are relocating to other areas across the midlands, the School Liaison Office is gathering data to determine the number of military dependents attending their schools.
